**Subject:** Payment for Participation in the Medicare Merit-based Incentive Payment System

Presbyterian Health Plan, Inc. and Presbyterian Insurance Company, Inc. (Presbyterian) are committed to keeping providers informed about information that may affect their practice. We would like to take this opportunity to provide you with a check for your participation in the Medicare Merit-based Incentive Payment System (MIPS).

The enclosed check includes any services you may have rendered to a Presbyterian Senior Care (HMO/HMO-POS), Presbyterian Medicare PPO or Presbyterian Dual Plus (HMO SNP) member for dates of service from Jan. 1, 2019 through a processing date of May 31, 2019. MIPS payments after May 31, 2019 will be included in your regular explanation of payment (EOP) that you receive from Presbyterian.

In order to apply any interest that may be due, please note the following:

- If you are eligible for a MIPS increase between 0.01% through 0.99%, the MIPS payment was increased to 1.00%.
- If you are eligible for a MIPS increase between 1.01% through 1.99%, the MIPS payment was increased to 2.00%.
- If you are eligible for a MIPS increase between 2.01% through 2.99%, the MIPS payment was increased to 3.00%.
- If you are eligible for a MIPS increase between 3.01% through 3.99%, the MIPS payment was increased to 4.00%.

If you have any questions, we encourage you to use the information below to contact a Provider Network Operations relationship executive. As always, thank you for partnering with us to improve the health of the patients, members and communities we serve.
