Coverage for: Individual or Family | Plan Type: PPO

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-670-0603 or visit www.phs.org. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-866-670-0603 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	In-network: \$2,500 Individual / \$5,000 Individual + One / \$5,000 Family Out-of-network: \$5,000 Individual / \$10,000 Individual + One / \$10,000 Family	No one member can contribute more than \$2800. Once a member meets this amount their deductible is considered met. Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. preventive care is covered before you meet your deductible .	This plan covers some items and services even if you haven't met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive care without cost sharing and before you meet your deductible . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	In-network: \$5,500 Individual / \$11,000 Individual + One / \$11,000 Family Out-of-network: \$11,000 Individual / \$22,000 Individual + One / \$22,000 Family	The out of pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit ?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out of pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.phs.org or call 1-866-670-0603 for a list of participating providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out of network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral.
