## Contact Guide

### Provider Network Leadership Team

**Steve Tafoya**

Director of Provider Services and Contracting  
Provider Network Management  
(505) 923-8402  
sttafoya@phs.org

Steve directs the establishment and maintenance of collaborative relationships with Presbyterian's network of healthcare professionals and providers. He leads the design, deployment and monitoring of strategies and programs that support and serve healthcare professionals, providers and their staff. Steve also oversees provider contracting to ensure a robust network of providers for member access.

**Janelle Atcitty**

Director, Native American Affairs  
Centennial Care  
(505) 923-5854  
jatcitty@phs.org

Janelle serves as the liaison for Native American Affairs with internal and external customers, the Human Services Department (HSD), other state agencies, legislators and the public. She is accountable for developing effective partnerships with Indian Health Services (IHS), the Bureau of Indian Affairs, the New Mexico Indian Affairs Department, intertribal organizations and other federal agencies.

**Amber Grewal**

Regional Network Director  
Behavioral Health  
(505) 923-6852  
amgrewal@phs.org

Amber manages the team of Magellan Health Services field network employees comprised of both provider relationship liaisons and provider contracting personnel. She leads the development and deployment of programs, strategies and initiatives for our network of behavioral health providers.

**Brittany Maldonado**

Director  
Long-term Care  
(505) 923-8127  
bmaldonad2@phs.org

Brittany oversees the Centennial Care long-term care program. She is the liaison for internal and external customers, reporting to HSD and other governing bodies. She leads the strategies and initiatives for our network of long-term care providers.

**Open Position**

Manager  
Provider Network Management

The manager oversees provider engagement and education and the development and facilitation of activities related to new provider training. The manager directs communications with auditors, organizations, employees, consultants and providers. He/she also ensures the accuracy of provider data and provider directories.
