

New TriCore Reference Laboratories Patient Care Center Roswell Patient Care Center

Presbyterian Health Plan Inc. and Presbyterian Insurance Company Inc. (Presbyterian) are committed to ensuring access to quality medical care and services. This communication is to notify providers about a new TriCore Reference Laboratories (TriCore), Roswell Patient Care Center, in Roswell, New Mexico.

To ensure that our members are receiving the most benefit coverage allowed under their plan, we would like to remind providers of their contractual obligation to refer all laboratory services to TriCore as they are our preferred reference laboratory. The only exception is lab procedures covered under the in-office lab list. Please refer your Presbyterian patients to the address below.
